Professional Certification Plan

Provide support to Certified Government Financial Managers (CGFM) candidates.

- ② Offer a study group for CGFM candidates as well as an annual information session.
- ② Publish tips on studying for the exams, CGFM articles, and the requirements for the CGFMs through the Chapter's various communication channels.
- ② Purchase updated study guides for our study guide lending program, as needed.
- ② Encourage CGFMs to renew their certification through the Chapter's various communication channels.

Provide support to the CGFM community and CGFM individuals.

- ② Recognize CGFMs (new and current) through the Chapter's various communication channels and during at least one Chapter event.
- ② Request the Governor's Office and/or local government(s) to recognize CGFM Month via proclamation.

Promote the value of the CGFM certification.

- ② Promote the value of the CGFM through the Chapter's various communication channels and at least one Chapter event. The communications will go to both our active members and our non-member lists.
